*Thank you for taking the time to review the enclosed literature on our driveway alarms and security equipment.*

Our company has been manufacturing and distributing driveway alarms for over 20 years. These products are designed for easy, do-it-yourself installation. If you have any questions about our products, please give us a call. All of our products carry a one-year limited warranty. If you are not completely satisfied with any of our products, return them within 60 days, in their original condition, and we will gladly refund your purchase price.
